Me program!

Our weekday Ma'ariv minyan needs chizuk. With a little effort from everyone, it can be strengthened. Please make a committment to come on a regular basis, or when you can. You may be approached by Marshall Joffe or the Rabbi to commit to coming one night a week, or to come on a night when we expect we may need help. Better yet, let one of them know when you can help out.

Statements were recently mailed to the membership. Although there is a tendency to delay paying the bill until later in the year, to ensure that we have sufficient funds to maintain the shul it is important that you remit your payment as soon as possible.

Have you registered for Count On Me?

Over 29 families have registered for Count On Me and we've generated \$ 75.00 in revenue! If you have not already done so, please enroll on-line or return the enrollment form to the shul. For more information please take a brochure from the lucite holder in the hallway or logon to www.countonme.com. (To make an on-line purchase you must go through the Count On Me website).
